Cambridge, ON – The Christian Farmers Federation of Ontario proudly announces the acquisition of the Zorra Township Municipal Office property located at 274620 27th Line, Ingersoll, Ontario.

"We are thrilled of the recent acquisition of the Township Municipal Office from the Township of Zorra," stated Tom Tavani, General Manager of the Christian Farmers Federation of Ontario. "This purchase, signifies a significant milestone for our organization as we establish a vital presence within this vibrant agricultural community, while serving all our members across the province."

CFFO will take possession of the property on June 3, 2024, and is looking forward to having a permanent home that will serve as the main administration office for the organization and will also have ample room for executive board meetings and member events. Ed Scharringa, CFFO Executive Board President was pleased with the findings of the Property Committee and approved this capital expense to help further the goals of the CFFO as a permanent and important organization for Ontario farmers.

"This new office will allow members to gather and discuss our advocacy and policy direction, while at the same time, having a consistent and reliable internet source to virtually connect with all members across the province," stated Scharringa, while discussing future plans for the building and the strategic goals of connecting with our members. The ability to bring all the voices of our members together is an important commitment for the CFFO.
