Scholarship Application Form

The purpose of The Christian Farmers Federation of Ontario Scholarship is to encourage the pursuit of higher education by providing financial assistance to students who are preparing academically to achieve their goals.

The CFFO believes that one major factor to the emergence of an effective member in any field is the provision of solid academic training prior to the person's formal entry into his or her chosen profession. In addition, the CFFO believes that a student who succeeds in maintaining the highest standards of academics and/or other performance deserves to be given some form of financial assistance if and when he/she needs it.

In light of this the CFFO will honour one student per district to the value of \$500.00.

The Scholarships will be awarded to qualifying applicants whose parents or grand-parents are CFFO members; the applicant needs to live in the same district and be a registered full-time student in an agriculture-related program.

Application Procedure

The CFFO Scholarships are open to all secondary school graduates. Application forms are available from the CFFO head office, from the District Boards and may be downloaded from the Districts page on www.christianfarmers.org. The application is open to all secondary school graduates, whether private, public or home schooled.

To qualify, each applicant must compose a 500-word essay detailing why he or she would benefit from an agriculture-related career or education and fill out the application form below.

The essay must be sent by mail, fax or email to the CFFO head office in Guelph, postmarked no later than June 30th, 2018, where it shall be reviewed by an award committee.

The successful applicants shall be notified.

Please submit all correspondence to the Christian Farmers Federation of Ontario (CFFO) at
