

CFFO Scholarship Application Information

The purpose of the CFFO Scholarship program is to encourage the pursuit of higher education in students who wish to enter agriculture and agri-food-related fields.

The CFFO believes that solid academic training is a major factor in the emergence of effective members of any profession. The CFFO also believes that it has a duty to support the development of future leaders in Ontario agriculture. In light of these beliefs, the CFFO will honour one student per CFFO district to the value of \$500 toward post-secondary agricultural training.

The scholarship is open to qualifying applicants who (1) are secondary school graduates, (2) have parents or grandparents who are CFFO members, and (3) are registered for full-time studies in an agriculture-related program in the upcoming academic year during which they apply for the CFFO Scholarship.
